What is the Pan American Road Cycling Championship?

It is the most important cycling event in the American continent. It has been disputed since 1974 and the XXXVII edition will be held for the first time in history in Central America, based in Panama.

Elite, Sub-23 and Junior events will be carried out in masculine, Elite and Junior in feminine, in the modalities of Individual Time Trial and Road.

This version grants a direct quota and important points for the UCI world ranking towards qualifying for the Paris 2024 Olympic Games
